

Our company R K Industries is located in the heart of the spices growing area of Jodhpur, Rajasthan. By incorporating growing, processing and exporting of specialty spices R K Industries offers direct and quality products.

We understand that what comes through our facility is food and we take great care in handling and storing. Our company was formed in 1975 in the name of Anil Trading Co.& has registered its presence in the spices industry since then, along with successful sister concern operation with R K Industries since 2002. Our commitment and relationship with the growers and the end buyers has given us a unique platform to facilitate a direct angle on the market. Our wide network throughout India for Agricultural commodity, sourcing directly from farmers and years of expertise in the field keeps us ahead of all the Agricultural traders in the country.

At R K Industries, we are constantly looking into adding new spices in our list of products. We have 3,000 Sq. ft. production area and also own warehouses with a storage capacity of 15,000 – 20,000 MT, along with a cleaning and processing plant, located at a strategic, hassle free location for the farmers to unload their yields. Currently we are in process of expanding our operation, by setting up a new state-of-the-art unit with full automation. Our products are approved by SGS and we have been certified as ISO FSSC 22000. We can assure of the best quality products in any bulk quantity the buyer may require. We are also proud to be one of the biggest exporter of Indian spices from Jodhpur (the Sun City of India).

Indian spices are popular all over the world since many centuries. Even before the beginning of currency transactions sailors from far off lands used to come and barter their goods for Indian spices. It is not an exaggeration if we say that even today the aroma of Indian spices can be felt at every nook and corner of the world.

R.K. Industries has carved a niche for itself in the highly competitive international market. It deals in a wide array of spices and agro commodities.

We offer different types of fresh spices that enhance the palatability of food. Many of these spices also have medicinal and nutritional value. In addition, we also supply other agricultural produce such as Wheat, Rice, Millet, Barley, Peanuts etc. Some of the produces that we deal in are listed below:

- Cumin Seeds, Fenugreek Seeds, Dill Seeds, Black / Yellow Mustard Seeds, Guar Gum, Coriander Seeds, Fennel Seeds, Psyllium (Isabgol) Husk, Senna Leaves, Water Melon Seeds, White / Black Sesame Seeds, Groundnut / Peanuts, Millet, Dry Fenugreek Leaves, Hallam Seeds etc.

Our production department has some of the most advanced industry technology and equipment. Thus, our excellent spices comply with the food safety requirements of select countries. Our current export markets include such countries and regions as Europe, Southeast Asia, Canada, UK, Middle East and Far East.

We are continually exploring opportunities to engage with like-minded companies seeking to establish long-term working relationship.
